

SOLDIERS WILL NAME NATIONAL DELEGATES

Delegation to Represent Joe Carson Post at Minneapolis Convention Next Week to Be Named.

JS FIRST ANNUAL MEETING

Completion of Plans for Celebration of Armistice Day in Tulsa Will Be Made at Gathering.

Election of delegates to the first annual convention of the American Legion, which will be held in Minneapolis, Nov. 10, 11 and 12, will be the principal business of the meeting of Joe Carson post of the American Legion in the municipal auditorium at 8 o'clock tonight.

Approximately 1,000,000 veterans of the world war will be represented at the national convention by duly accredited delegates. Tulsa is expected to send the largest delegation from Oklahoma. Two advance delegates will be sent from the state to arrive not later than November 7.

Completion of plans for the celebration of armistice day in Tulsa will also occupy the attention of the members at the meeting tonight. A committee from the organization has been at work with a committee from the allied civic committee for several days and plans have been formulated to make the day the biggest celebration ever held in the city.

All business houses of the city will close their doors in honor of the day, which the legionaries consider the greatest in American history. A monster meeting in Convention hall will close the day with patriotic ceremonies.

Calls It "Victory Day." Special to The World. OKLAHOMA CITY, Nov. 4.—Governor Robertson, in a proclamation, designates next Tuesday, November 11, as "Victory day" in celebration of the signing of the armistice which ended hostilities in the European war. The text of the proclamation follows:

Whereas, the signing of the armistice between the allies and the central powers of Europe on November 11, 1918, administered a crushing blow to autocracy and resulted in a wonderful victory for democracy; and

Whereas, the United States was relieved of the oppressive burden of the war and was able to again direct its force and energy toward peaceful pursuits; and

Whereas, Oklahoma was deeply affected by the signing of the armistice through the return from Europe of her young men who were able to again take their places in their homes and in the industries of the state; and

Whereas, the 11th day of November, 1918, is the first annual anniversary of the signing of the armistice and of the victory of our cause;

Now, therefore, I, J. B. A. Robertson, governor of the state of Oklahoma, by virtue of power vested in me, do hereby proclaim the 11th day of November as "Victory day" and ask that all citizens of Oklahoma properly observe this holiday by appropriate ceremonies to the end that we may not lose sight of the things we fought for and won in the great world war which is about to be terminated by the ratification of the treaty of peace.

"I underwent a surgical operation for gall stones 5 years ago, was in the hospital 4 weeks. For one year I felt better, but then my old symptoms and pains returned, and I have suffered ever since. Four weeks ago on the advice of a lady I tried May's Wonderful Remedy, and I now feel like a new woman. I have a number of friends who suffer as I did and I am advising all to try the valuable medicine. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

UNION DEPT. STORE BUYERS RETURN FROM ARMY GOODS SALE

Local Concern to Dispose of Clothing in Gigantic Sale. Low Prices to Prevail.

The buyers of the Union Department stores at 112 and 114 South Main street have just returned from the sales held by the U. S. shipping board. Sales were held at the zone depot, quartermaster warehouses in Chicago, Boston and New York and the articles sold were standard quality regulation goods. The buyers from the above store were the only purchasers from Oklahoma and for that reason were able to secure a better assortment of goods than some of the other purchasers. The purchases include a big lot of the famous U. S. army shoes which are the best made. Rubber coats, leather and wool gloves, boots, four-buckle overshoes or Arctics, overalls and combination overalls and jackets. Undershirts, drawers, socks and many other articles. These articles will be sold at prices on sale at the Union Department Store, as soon as they arrive and have been checked in. Announcement will be made in local papers of the money-saving prices and time of this great sale, which is expected to be the most gigantic value-giving sale of its kind ever held.

It is indeed fortunate that Tulsa should have the opportunity to secure these high class goods at the low prices which will prevail at the huge sale. Everyone will watch the papers closely for the date and prices.—Adv.

Shriners Award Ring to Most Modest Man Who Wanted Emblem

Modesty surely comes into its own now and then. With fully a dozen competitors in the race, a more or less blowing their own virtues and ignoring their faults for the Akbar Temple ceremonial diamond ring, R. E. Thompson of Vinia, the successful man, came to Tulsa with this platform—nothing more and nothing less—except his winning smile, cheery handshake and pleasing personality.

"He is modest. Give it to him." And the Shriners took him at his word.

NEGRESS WHO SHOT AT 'FREN' IS NOW SOUGHT

Release of Willie Patter, negress, through a mistake by county officials, led to a bench warrant being issued in the court of Justice H. J. Gray yesterday, when the defendant failed to appear for trial on the charge of shooting at Annie Wood, negro.

From information received by the county attorney's office, the defendant, living on East Easton avenue, accused other negro women living in the vicinity with being on too friendly terms with her husband, and calling them into the street on October 22, proceeded to shoot at them with a revolver. Through an error, the defendant was released from the county jail on a release issued in the court of Justice Lillard, before whom she was brought several weeks ago on another charge.

CHARGE AGAINST C. D. FIELDS IS AMENDED

Reducing the charge from assault with intent to do bodily harm, to that of assault and battery, C. D. Fields, arrested on complaint of his wife, Minnie Fields, was fined \$10 and sentenced to 30 days in the county jail at his trial yesterday before Justice H. J. Gray.

The original information charged Fields with cutting his wife with a knife in an assault on her at her home, 1005 South Trenton avenue on October 22. At the preliminary hearing yesterday, it was proven by the defendant that he did not use any weapon, but he admitted beating his wife with his fists.

Whereas, the 11th day of November, 1918, is the first annual anniversary of the signing of the armistice and of the victory of our cause;

Now, therefore, I, J. B. A. Robertson, governor of the state of Oklahoma, by virtue of power vested in me, do hereby proclaim the 11th day of November as "Victory day" and ask that all citizens of Oklahoma properly observe this holiday by appropriate ceremonies to the end that we may not lose sight of the things we fought for and won in the great world war which is about to be terminated by the ratification of the treaty of peace.

TULSA TRAVELS FAST IN RED CROSS DRIVE

12,000 Members Signed for Enrollment First Day With Only Third of Reports Received.

\$30,000 IS TOTAL QUOTA

Although Nearly Everyone Subscribes Spirit Which Prevailed During War Is Missed in Campaign.

Reports of the first day of the Red Cross drive indicated that Tulsa would go over the top with her quota of 30,000 members in the allotted time of two days. Charles Gilmore, city manager, estimated that 12,500

members were enrolled yesterday, although only one-third of the teams had reported at the closing hour.

Enthusiasm on the part of the general public which marked the campaign during the war was noticeably lacking yesterday. Although solicitors had little difficulty in enrolling nearly everyone approached for a dollar membership, it was evident that the end of the war had diminished to some extent the willingness of the people to donate.

Activities of the workers was confined entirely to the business district yesterday. Today the workers will canvass the entire residence section. Considerable larger numbers of subscriptions are expected of the residence teams than of those that worked today in the business district, owing to the fact that only 11 memberships are being asked for.

Rev. C. W. Kerr, campaign director, urged that all unassigned workers report to the principal of the school in their district early this

morning. All of the soliciting in the residence section will be done under the direction of the school authorities with Supt. E. E. Oberholzer in charge.

No reports had been received by Rev. Kerr last night from the surrounding towns to indicate the progress of the drive in the county.
